

3rd Square

Oct 28-57

Dear Sir

By some oversight of
our Agent Sec. (of the Philol.
Soc.) I only got your note
of June 27 yesterday.

I send you Dr Bleek's MS.
by this post, & assume
that it is the Appendix that
he wants forwarded. We
could only afford to print
one table, of the Zulu, as a
note, p. 44 of our Trans. for
-55.

Yours faithfully

F. J. Fennell
