Dear Ernst

Thank you for your letter which I received this morning.

Your letter for Dr. Gries I have delivered personally. He is leaving
tomorrow as you will already know. You told me that you wanted to
write to Wilhelm - you will find his address at the end of this letter.

I am pleased to hear that you have found a suitable opportunity for travelling (Reisegelegenheit) and that you are enjoying your stay in London.

And now still a request: a day after your departure Dr. Wolf came to ask if you could go to Karl's grave on Madeira. Should anything needed to be repaired, would you please see to it. Would you also bring a few flowers from the grave, he will see you on your return.

Regards from your aunt, A. Bleek.

From here it probably must be attempted, also from Madeira; from England, probably not.
