

at bottom of page 7 in
2^d line there seems to
be a mistake or omission
of a word —

Page 8 — The words of
the power to land the ~~500~~
is not quite satisfactory
to me — but you with best
decide all that — it seems
to leave ~~to~~ with too much
power to me — for one
thing — & for another, I
see they have left out all
together the power to also

lend you, say or all of the
money we may come to
us under 3 years without
marriage settlement -
Perhaps they found they
not will do it - I mean so
as to be legal & yet in
the way but we wished
for I wrote more fully
abt that & so it I hardly
ever in then may be
overlooked -

~~I am~~

I think disrespectful

these things the settle
ment seems much

more - simpler than the
other - as I have I trust
1 other better thing
to be settled quickly by
us afterwards -

But remember early
with all to be as you
like, it means as you
think right -
