My darling

I send the letter for Capt
Strutt - please read it & then
seal it with my seal & if
I send - & if you will take it
to Anderson as soon as
possible because Capt I
comes on shore ^{there} early
every morning so you may
just catch him if you
can go there before going
to Mr Fairbridge -
I also hope - Darling you are pretty
well today - I am very - I was
unhappy so of you all yesterday -
With best love your penman,

Lucy wishes me to say
that as I wish her to be
with me this morning
to see the lawyer &
Mr Harris has ^{plenty of} work to
go on with, she will
go about the paste later
in the day — Loni has
a good many things to buy
for me today we must be
got without delay but
she will manage to go
to the house ~~there~~ ^{in the} afternoon
noon

& she wants you to let
Dom wait for the pasting
till she comes —
