

BC 151 CB 42

It's only that I'm in
the heat I'm so afraid
of fatigue - If there
would write you
perhaps I will be
best to do what
you wish now -
but just as you think
best - I've been
thankful I will not
come down to
lunch as long
as I can here -

2

can send Tom this
copy for my note all
right which can
arrange with him
now

J. L.
